ACTIVA CAPITAL BACKS MBO OF ABRISUD

Created in 1996 in the South West of France, Abrisud is Europe's leading pool enclosure manufacturer and installer. It employs 270 people and generates a €50 million turnover across Europe.

Since 2005, the company, managed by Jean-Pierre Charpentier and François-Xavier Desgrippes, has embarked on a dynamic growth strategy. Abrisud has developed the most extensive pool enclosure range on the market; a new marketing and Internet / CRM policy dedicated to individual customers has resulted in strong growth and market share gains.

The strategy of Activa Capital, in association with the management team, is to broaden Abrisud's presence in Europe and reinforce its leading position on the pool enclosure market while extending its customer base to B2B projects in camping / leisure and school / municipal pools.
