

Data Contact acquisition

Armatis-lc : top 5 on the Polish market

Boulogne-Billancourt - 30/03/2016 -

The armatis-lc group confirms its international expansion with the acquisition of the company **Data Contact** and enters the Top 5 contact centers on the Polish market.

This acquisition complements our current production plan and allows us to have a total capacity of **1,000 working positions spread** over 5 production facilities, with nearly **1,300 employees**.

Data Contact is a Polish company with an expertise in remote customer relationship oriented towards the domestic market and pan-european activities.

The headquarters are based in Warsaw.

The four Data contact locations are in Warsaw, Krakow, Bielsko Biala and in Stalowa Wola.

Data Contact works for key accounts from different activities : media, publishing industry, airlines, bank insurance and telecommunications.

Armatis-lc group increases its positioning and currently has **20 sites in France and abroad, with a workforce of over 8,000 employees**.
